Project: Dal Mac Business Park

100 E. Spring Valley Road

In accordance with Chapter 21, of the *Richardson Code of Ordinances*, the site and landscape plans have been modified as follows:

1. Note the removal of 485 sq. ft. of landscaped area adjacent to the east side of building "D" to accommodate the installation of ADA accessible ramps.

Proper permits must be secured from the Building Inspection Department prior to commencement of construction.

Please add void the previously approved site plan, dated February 1, 1973, and replace with the attached revised plans.
