JOB FAIR SCHEDULED FOR MARCH 14

The City of Richardson Parks and Recreation Department will hold a job fair March 14 from 4-7 p.m. at the Huffhines Recreation Center. This year is shaping up to be a busy one and there is a need for a variety of positions including lifeguards, swim instructors, swim team coaches, swim school coordinator and cashiers. Hourly pay rates are highly competitive. Applications may be filled out online at www.cor.net/jobs.

INCLUSION POLICY

The City of Richardson's Parks and Recreation Department encourages people of all abilities to participate in the recreational activities that are of interest to them. We strive to enrich our community through innovative recreation and leisure experiences, and opportunities to increase life and leisure satisfaction. It is our goal that people achieve a more positive, independent leisure lifestyle while participating in all of the activities. If you require special assistance to participate in any classes or activities, call 972-744-7881 or 972-744-7850 or call the Therapeutic Rec. Coordinator at 972-744-7854. Any participants requiring assistance with matters not directly related to the activities and needing assistance with medications, toileting and feeding must bring a chaperone/aid. Volunteers are needed to work with individuals who require special assistance. Special skills are needed but not required. For information, please contact 972-744-7854.

To ensure the safety and enjoyment of others in recreation programs, participants are expected to display appropriate behaviors. The success of all recreation activities depends not only on good planning and instruction, but the conduct of participants. Appropriate behavior includes the ability to follow instructions and interact with other individuals in a positive manner. Parks and Recreation staff will discuss behaviors of concern with the participant and his/her family when necessary.

RICHARDSON SWIM SCHOOL NEW AND IMPROVED IN 2019

The Richardson Swim School has been enhanced in 2019 in order to target each individual's skill level and development. Class offerings have been identified by age to simplify the registration process. A questionnaire will be incorporated during registration and a skill assessment will be conducted by instructors on the first day of class in order to identify initial capabilities to assist in customizing class curriculum. At the end of each session, participants will receive a summary of their progression.

WELCOME-Athletics/Aquatics Manager Doug Kierstead

The City of Richardson welcomed Doug to its team in January 2019. Doug comes from an aquatics background. For the past three years he managed the City of Allen Learn to Swim Program and prior to that spent time working at a large waterpark. Doug has a passion for cultivating successful swim programs and will be a valuable addition to the Aquatics team.

Registration begins March 1 www.cor.net/parksonline

POOL LOCATIONS AND DAILY HOURS

Make the most of your child's summer at Richardson camps!

City of Richardson Summer Day Camps want to create a memorable summer for every camper! We want children to enjoy, laugh, share, experience, create, grow, challenge and be inspired! We want each camper to take this experience, this memory into their future! For more information on summer camp programs, stop by either Heights or Huffhines recreation centers and pick up our Parent's Guide, which includes policies, procedures, general rules, contact information and so much more!

My child is 4 about to be 5, may they still enroll in Kinder Camp?
Unfortunately, no. In order for a child to be registered for Kinder Camp, the child must already be 5 years old at the start of camp.

What is the difference between Elementary Camp and Playground Camp?

Elementary Camp is an indoor specialized camp, whereas Playground Camp meets at a park during the morning. Elementary Camp also travels on two field trips per week, while Playground Camp goes on one. The biggest contributing factor to the price difference comes from the facility cost and air conditioning associated with Elementary Camp.

Can a spot be reserved for my child without payment?
Enrollment requires full payment.

Is there a discount for families with multiple children?
Unfortunately, no. It's still the same rate for every child.

For Playground Camp, what do you do if it rains?
All campers will be taken into Heights Recreation Center where they will resume camp activities.

Do I need to send extra money for field trips?
Admission fees are covered by the camp. If your child wants

souvenirs, snacks, drinks or anything additional, he or she will need to use his or her own money.

My child is 6 1/2 years old. Can I enroll him in one of the all-day camps even though the age for those camps is 7?

We do not allow any children under the age of 7 to be registered into Elementary Camp. However, for Playground Camps, a child age 6 1/2 at the start of the camp may attend.

How often do the camps go swimming?

Elementary and Playground Camps go daily, but there is one day during the week when the pool where they swim is closed for maintenance. Teen Camp doesn't swim quite as regularly and Kinder will sometimes travel to a splash pad on Fridays.

What are the qualifications of your staff members?

All staff members must be at least 16 years of age, CPR and first aid certified, and possesses a valid Texas driver's license. All directors must be at least 21 years of age with a minimum of three years experience working directly with children. For a full list of qualifications and training, please visit "Camp Staff" page at www.cor.net/corcamps.

What should my child wear?

Shorts and a T-shirt are fine. We ask that tennis shoes be worn every day, except when swimming. For additional Day Camp dress code policies, please visit www.cor.net/corcamps.

What kind of buses do you use, and who drives?

We contract with RISD and use their buses. The drivers are also RISD employees who are licensed to operate the buses.

Do the buses have seat belts?

No they do not. The National Highway Traffic Safety Administration establishes standards for equipment safety and does

not recommend seat belts on school buses based on their ongoing safety testing. Instead, they have determined that using compartmentalization in the design of school buses is more effective in reducing the risk of injury.

My child takes medication—will your staff dispense the medication?

Medication will only be administered with written parental consent. All medications must be left with staff in the original container, labeled with the child's name, date, directions and physician's name. Please read the Parent Guide for further information.

I have a child with special needs. Is my child allowed to attend camp?

Yes! We welcome all children to come and experience camp and we try and make it as successful as we can for them. However, we feel that parents need to be made aware up front that our staff-to-child ratio is 1:10. So any child (special needs or not) who will require more one-on-one attention will make it difficult to be successful in this particular camp. We have to maintain our staff ratio, and constant one-on-one attention will pull us out of ratio and make it unsafe for the rest of the campers. If you are planning to send a child with special needs, we ask that you inform the Camp Director of your registration and provide any tips/strategies that we may implement in order to try and make it as successful as we possibly can for your child.

For more Summer Day Camp information, visit www.cor.net/corcamps.

Golf

Junior Golf Camps

The Performance Golf Academy at Sherrill Park offers several weeks of summer camps for junior golfers.

The goal of the Performance Golf Academy is simple: Have fun, create long lasting relationships, enjoy the game of golf, and learn a little about yourself while doing so. Whether it's a beginner or an advanced player, we strive to make every learning experience memorable. We take pride in providing a foundation for our youth to enjoy a game for a lifetime as well as becoming admirable friends.

The **PIONEER CAMP** is for the junior golfers whose interest in golf is either high or growing immensely. While still based on learning the fundamentals through games, our Pioneer Camps offer golfers a chance to apply skills learned on the course. Providing a platform that makes golf easier and more enjoyable is vital to long term participation and success. It includes putting, chipping, pitching, full swing, on-course play and rules/etiquette.
