   Master Plan Meeting**

The City of Richardson is in the process of updating a comprehensive master plan to improve the parks, recreation and open space system throughout the city. A public meeting will be held:

LOCATION: Richardson Civic Center, Richardson Room, 411 W. Arapaho Rd.
DATE: Thursday, September 15, 2016
TIME: 6:00pm to 7:30pm

We need YOU to provide input regarding how you would like to improve your parks, recreation and leisure opportunities. The format of the meeting will be very simple and will explore these basic questions:

1. What parks and recreation facilities and programs (indoor and outdoor) do you currently use? If you don't use the system, why not?

2. What do you like about the City of Richardson Parks, Recreation Facilities and Programs (indoor and outdoor)?

3. What don't you like or what is missing from your parks and recreation system? How can the park system be improved? What is your vision for the future of Richardson parks and recreation opportunities?

4. Imagine it is the year 2020. You are very pleased with the improvements that have been made to your park and recreation system since the master plan was completed. What has happened to make the parks more successful and enjoyable? How have the recreation and leisure opportunities changed?

5. How do you feel the City and other jurisdictions should generate the funds necessary to improve the parks and recreation system?

Your answers will provide the framework and the priorities for the proposed improvements to the parks and recreation system. The City would like the master plan to reflect the desires and needs of the citizens. Therefore, your responses to these questions are very important. If you cannot make the meeting, please send your responses to these questions by September 30 to: andrea@nationalserviceresearch.com or write to Andrea Thomas, National Service Research, 2601 Ridgmar Plaza, Suite 2, Fort Worth, TX 76116
