Emergency Responder Radio Coverage Testing – Vendor List
[created 06/23/2022]

This list is subject to revision - download the latest version at: www.cor.net/fire/permits.

Section 510 "Emergency Responder Radio Coverage" of the City of Richardson Fire Code identifies when "buildings shall have *approved* radio coverage for emergency responders".

To help customers determine whether "acceptable emergency responder radio coverage" exists at their properties, the City of Richardson maintains contact information for some local firms with RF (Radio Frequency) Engineers on staff. This list is not inclusive, and does not imply recommendation of the listed firms:
