

PICNIC AT FOREST PARK ZOO

On Tuesday morning, Miss Belle Robberson gathered together the little children of her school and delighted them by taking them to Dallas for a day's outing at Forest Park Zoo.

The picnic lunch was spread under the shade of the trees on a hill overlooking the zoo. The lunch was delicious and ice cream and cold drinks throughout the day helped to keep the children cool.

After the lunch hour the little folks walked through the zoo where they had a fine time watching the birds and animals and learned much about the inhabitants of the zoo.

The playground equipment, too pleased the children and was thoroughly enjoyed by them.

Those enjoying the picnic with Miss Robberson and the school children, were Mrs. Emory Huffhines, Emory Lee and Francis Naomi Huffhines, Miss Stella Moody, Mrs. Henry Coit, Mrs. Elmo Huffhines, Charles and Juanita Huffhines, and Geraldine Grugett.

The school children present were, Pauline Rippy, Hazel Durham, Warren Coit, Catherine Coit, Jackie Huffhines, Vivion and Oliver Huffhines and Vinola Morgan.
